

Hygiene concept for exams carried out by GASQ

1. "2G" rule at all GASQ Exam Sessions

- According to the current recommendation the "2G" rule applies - only recovered or fully vaccinated persons are allowed to sit the exam.
- Please bring proof of the same to the exam session.
- Our proctor will check the validity of this evidence.

2. Measures to ensure the minimum distance of 1.5 meters

- All GASQ employees are trained on distance rules.
- A separate table for each candidate is guaranteed. The distance of 1.5m will be maintained.

3. Measures in the building

- It is mandatory to wear a mask in the entire building of all GASQ examination centres.
- A mask must be worn for the entire duration.
- The exam rooms are ventilated before and after the exam.

4. Hand Hygiene

- Disinfectants are provided in the examination room.
- Soap and disinfectants are available in the toilet rooms.
- Single-use paper towels are provided.

5. Exam media

- All open exams take place on iPads. These iPads are thoroughly disinfected by the examiner before and after the exam.
- Pens for notes are available for exam takers. These pens are also disinfected before and after the test.

6. Suspected cases

- If participants with symptoms of a cold appear for the exam, they will be expelled from the exam room immediately.
- GASQ receives the contact details of all participants with the registration process. If it turns out after the event that a participant or the proctor was diagnosed with Covid-19, GASQ will immediately inform all participants of the event via email.
